Musqueam Fisheries

Community Fish Distribution

Given the low amount of community events that have been held once again this year we will be handing out freezer overstock. Frozen Fraser River Spring as well as some Frozen Skeena River Sockeye Salmon will be available to any band members both on and off reserve on a first come, first serve basis. No holds or reservations of any kind will be made, we are clearing overstock.

Musqueam Fisheries staff will be at the compound across the street from the entrance to the gym/community centre on the days and times listed below. We will not hand out fish to anyone except for those who are able to make it in person on those days. The fisheries facebook page will be updated if we run out of stock to hand out to interested band members. Please check there if you are planning to travel in from off the reserve especially.

March 1st, 2022 10am to 7pm

March 2nd 9am to 4pm (if necessary)

Please note this is in addition to the on-reserve elder's distribution that took place of Smoked Chum Salmon. Elders are also welcome to come down and receive additional fish if they so wish. We will be limiting handouts per household to allow as much access to as many families as possible.

Health Staff & Covid-19 Updates

The Covid Liaison is the first point of contact for our Musqueam Community. Please call the Covid Liaison for your questions or concerns, and please refrain from calling or messaging senior management, CAO and or Chief & Council. The Health Department staff continue to rotate shifts to support the COVID Liaisons.

If you have other health concerns please contact the main band office with your inquiry and you will be put through to the correct staff member. ALL Covid related inquiries can be directed to the Covid Liaison:

Also note that MIB Health staff are all quite busy responding to the current Covid Cases surge and also working on other Community Health needs/programs. Please be patient with our staff. **Weekends are minimally staffed: with one health staff & the Covid Liaison.**

Please adhere to all Public Health Guidelines

- maintain physical distance,
- wear your mask,
- wash your hands diligently throughout the day
- STAY HOME IF YOU ARE ILL (EVEN MILD SYMPTOMS)

For Musqueam Band/Community

SAFE DRINKING WATER MONITORING PROGRAM

Charlene Campbell-Wood

First Nation Health Authority

Community Based Drinking Water Quality Monitoring Program Community Based Drinking Water Monitors (CBWM) play a key role in the Drinking Water Safety Program as the designated person responsible for sampling, testing, recording and communicating the microbiological quality of drinking water within the community. The CBWM is also responsible for distributing results and may assist with developing and carrying out a drinking water quality awareness program. The CBWM may be a Community Health Representative (CHR), Water Treatment Plant Operator (WTPO), or another individual selected by the Band. If a community does not have a CBWM, the activities may be completed by the FNHA Environmental Health Officer or an FNHA Environmental Health Technician. Environmental Health Officers train CBWMs to sample and test the drinking water for potential microbial contamination using community lab equipment (Colilert®). WaterTrax®, an internet-based data management system, is used to securely manage all drinking water quality data to which the CBWM, Band Health Directors, and the Drinking Water Safety Program (DWSP) team have access.

UBC Summer Science and the Virtual Indigenous Science Experience (VISE)

2022 applications open NOW!

What is UBC Summer Science Program?

UBC Summer Science is a one-week cultural, health and science program for Indigenous students in grades 8-11. The program promotes interest in health and science programs through firsthand experience at the University of British Columbia. The Summer Science Program is a great opportunity to meet new friends, eat great food, connect with Elders/role models while enjoying fun, laughter and learning.

Who: Students entering grades 9 - 12 in fall 2022

Where: UBC Vancouver campus

When: July 10th - 23rd

What is VISE?

The VISE 2022 is an online, interactive workshop program for Indigenous high school students. Students are introduced to the University of British Columbia and various science fields. They also learn Indigenous teachings from dedicated facilitators

Who: Students entering grades 9 - 12 in fall 2022

Where: Online

When: July 2022 (exact dates TBD)

Application deadline May 1st, 2022

For more information: <https://bit.ly/UBCSSPVICE>

Got Questions? Email: summer.science@ubc.ca

If COVID-19 restrictions do not allow us to gather in-person for UBC Summer Science from July 10th-23rd we will then offer VISE 2022. With respect to those that may not want to attend an in-person Summer Science this year, we are opening VISE 2022 applications to assess the demand for the program. Closer to April 2022, we will announce if one or both programs (UBC SSP & VISE 2022) will be running in July 2022.

BE PART OF THE TEAM THAT BRINGS THE WORLD TOGETHER

Career Opportunity: Musqueam Relationship Advisor

Join an organization that plays a critical role in Canada's economy. At the Vancouver Fraser Port Authority, we focus on doing the incredible work it takes to become the world's most sustainable port.

The Vancouver Fraser Port Authority is responsible for the stewardship of the Port of Vancouver, Canada's largest and most diversified port. Our mandate as a Canada Port Authority, as set out by the *Canada Marine Act*, is to enable Canada's trade objectives, ensuring goods are moved safely and responsibly through the Port of Vancouver. That means providing infrastructure and ensuring the safe and efficient movement of marine traffic and cargo within the port. It also means we carry out reviews of proposed activities and developments on federal port lands and waters to determine whether a project can go ahead without impacts to the environment and community that cannot be mitigated.

We are passionate about the work we do and what it contributes to our local communities, the region and our country. This is reflected in our values of collaboration, continuous improvement, accountability and customer responsiveness.

Be a part of a team that advances initiatives to promote economic prosperity through trade, a healthy environment and thriving communities for the future generations of Canadians. It's a workplace where the intrinsic value of your contribution to help foster the continued growth of the Canadian economy becomes a tangible reality. Bring your unique strengths, perspectives and experiences to the port authority and join us in charting a course toward a sustainable future.

The Musqueam relationship advisor is responsible for providing effective and proactive implementation of the Vancouver Fraser Port Authority – Musqueam Indian Band Relationship Agreement. This includes: building productive relationships through strong communication between Musqueam and the port authority via the Musqueam-Port Authority committee, advancing opportunities through collaboration as detailed in the relationship agreement such as developing cultural, environmental and artistic opportunities including the scholarship program. This position is intended to ensuring the timely development and implementation of the Relationship Agreement and provide effective ongoing communication between the port authority and Musqueam.

The Musqueam Relationship Advisor will:

Indigenous Relations

- Support the development and implementation of initiatives as outlined in Vancouver Fraser Port Authority - Musqueam Indian Band ("MIB") Relationship Agreement.
- Coordinate and participate in Musqueam and VFPA Relationship Committee meetings.
- Convene, implement and participate in any working groups that are formed pursuant to the relationship agreement.
- Identify opportunities and support alignment of Musqueam interests with organizational business priorities, objectives and initiatives.
- Participate in or lead cross functional teams to support Musqueam-VFPA relationship initiatives or activities.

- Build productive relationship between Musqueam, the Port Authority and potential business partners.
- Provide reporting to Musqueam Council and port authority leadership on the status of the ongoing relationship.
- Assist and/or support other Indigenous relations initiatives as required.

Employment Resource

- Lead and work with Human Resources in the identification of employment and training opportunities that are available to Musqueam.
- Communicate employment and training opportunities and act as a liaison between VFPA and Musqueam with a view to match qualified individuals with employment opportunities and participate in the hiring process as required.
- Work with hiring manager and HR to review and participate in the hiring and onboarding process for the Harbour Patrol Officer co-op program as committed to in the VFPA-MIB Relationship Agreement.
- Coordinate and work alongside specialists, consultants, and/or staff related to specific projects and commitments to ensure outcomes are achieved as outlined in the VFPA-MIB Relationship Agreement.
- Work with management to address issues as they arise on projects, initiatives, processes as related to in the VFPA-MIB Relationship agreement.

General

- Provide advice and information to managers and employees on the interpretation and application of the relationship agreement.
- Monitor issues and activities related to the Relationship agreement and identify areas of potential interest to the port authority.
- Research and prepare referral, analysis, briefing and/or other communication materials for Musqueam, port authority executive leadership team members, government representatives, port authority staff or tenants.
- Participate and provide advice in the evaluation of opportunities and applications, through the appropriate funding mechanisms, in support of Musqueam or interests.
- Participate in broader Indigenous relations activities to foster positive and respectful relationships and fulfill both good governance and legal objectives and obligations.
- Participate in health and safety initiatives and comply with established policy, procedures and guidelines to protect yourself and your work colleagues. Report concerns, hazards, risks and incidents to management for follow-up.
- Perform other assigned duties as required.

The successful candidate will possess:

Appropriate post-secondary diploma along with a minimum of six years of relevant experience building relationships and implementing community initiatives with an Indigenous community.

Knowledge of *hən̓q̓əmiṇəm* and cultural knowledge is an asset to understand the unique lived experience of Indigenous peoples. Established relationships with Musqueam whose traditional territories include the Lower Mainland and who share an interest in the lands and waters managed by the port authority.

Must be a self-motivated individual with excellent interpersonal and intercultural skills, including tact, diplomacy and the ability to liaise effectively and positively with Indigenous groups' staff and leadership, port authority staff and leadership, government representatives and other external contacts. Must possess the ability to analyze individual initiatives in the context of the bigger picture, identify issues, provide advice and escalate when necessary. Must demonstrate a solid understanding of both good governance and legal objectives and obligations with respect to Indigenous Peoples. The incumbent will have an excellent written and verbal communication skills. Must be a team player with a customer service focus. Strong organizational skills and flexibility to perform multiple tasks are required.

Normal office condition with periodic evening, weekend and off-site work. Occasionally respond to issues during non-working hours and or travel to attend meetings on short notice.

This position is a key step in an agreement with the Musqueam Indian Band to create and implement a special program, plan or arrangement to eliminate or reduce barriers based on prohibited grounds by improving opportunities for employment for Musqueam and other Indigenous peoples. Accordingly, first priority for this position will be awarded to Musqueam members. If a successful Musqueam candidate cannot be found, this position may be filled on a temporary basis by someone who is not a Musqueam member.

The Vancouver Fraser Port Authority offers a competitive total compensation package including an earned time off program.

Please note this posting will remain open until filled.

We thank all applicants for their interest, however, only shortlisted candidates will be contacted. Applicants from Musqueam Indian Band, please submit your application directly to Sonia Johal, LR & Inclusion Advisor at (sonia.johal@portvancouver.com)

At the port authority, we are dedicated to employment equity and a workplace reflective of the diversity of our port community.

Request for Proposal

Call to Musqueam Artist

February 2022

x^wməθk^wəyəm

Musqueam Indian Band

6735 Salish Drive

Vancouver, BC V6N 4C4

Introduction and Executive Summary

Musqueam Indian Band (xʷməθkʷəy̓əm) is an Indigenous group whose core Traditional Territory lies within the City of Vancouver. The xʷməθkʷəy̓əm people are the oldest-known residents of Vancouver, and have lived in the Fraser River estuary for thousands of years. xʷməθkʷəy̓əm's administration has developed the Environmental Stewardship Department (ESD) to work on behalf of the xʷməθkʷəy̓əm community to help steward the lands and waters governed under xʷməθkʷəy̓əm's Traditional Territory while under the direction of Chief and Council.

Scope of Designs

xʷməθkʷəy̓əm ESD is seeking to contract a qualified xʷməθkʷəy̓əm Artist to develop a selection of digital graphic designs for an internal xʷməθkʷəy̓əm Application/Platform.

Please include a portfolio of previous similar work, and a cover letter in your submission. If you do not have digital copies of your work, please reach out and we can arrange a meeting.

- The contractor will work with xʷməθkʷəy̓əm ESD to develop a set of graphic designs for a custom platform in development.
- The designs will be reflective of xʷməθkʷəy̓əm's vision and it is expected that the contractor will work collaboratively and iteratively throughout the project, while demonstrating cultural safety and sensitivity.
- Development of approximately 10 pieces of art (±5 pieces)

Artist-in-Residence: Willy White

MOA is thrilled to welcome Tsimshian weaver Willy White as Artist-in-Residence. Stop by and visit Willy while he is working, during regular museum hours. He will be weaving Chilkat dance apron and leggings. This is a special and rare opportunity to witness the artist at work, and to join him in conversation about his artistic practice.

Until February 20
Free with museum admission
