

COVID 19: IMPORTANT MIB MEMBER ADVISORY

DIVIDEND – DIRECT DEPOSIT DELAYED

March 24, 2020

Unfortunately, direct deposit of dividend/distribution has been delayed due to challenges processing bank information.

Most Members should receive funds in their bank accounts no later than end of day, Wednesday, March 25th.

For some members, we have insufficient or inaccurate banking information.

Best efforts will be made to contact those individual Members to inform them that they will be receiving a cheque in the mail. This decision had to be made to avoid delaying direct deposit of dividend / distribution for all members. There will be NO option to pick up cheques at the Band Office.

We have not received completed distribution forms for all Members. **Please encourage all family and friends to complete their forms and submit them as soon as possible.** Members who are able to submit their forms now will receive a cheque in the mail.

These are challenging and stressful times for us all. We recognize that many Members are relying on access to these extra financial resources, and staff are working very hard to process the early release of distribution, as soon as possible. We thank you for your patience and understanding. We are doing the best we can with a limited amount of staff.
