Dear Pedestrians, Residents, and Property Owners,

**RE: Wallace Ditch South Repairs (Southern end of the Wallace Ditch)**

To stabilize the southern slope on the east bank of the Wallace Ditch (close to Fraser River), the City of Vancouver is starting construction to repair and prevent instability along the Southern end of the Wallace Ditch. Construction will involve vegetation removal and the installation of riprap.

The City of Vancouver construction crews will mobilize on Sep 07, 2021, to clear the area and ensure any deleterious material and standing water is removed prior to installing the riprap. Work is anticipated to be complete by Sep 30, 2021, weather permitting.

The City of Vancouver construction crews will make every effort to minimize the impact of their work concerning noise levels in your area. Work is anticipated to take place between 7 am and 3:30 pm. Some noise from construction equipment can be expected. The City of Vancouver construction crew will close the trail access (please refer to the attached picture) to maintain pedestrian safety during construction. Closure signage will be set up in place before any construction begins.

If you have any questions or concerns, please do not hesitate to contact us at [streets.01@vancouver.ca](mailto:streets.01@vancouver.ca).

I want to thank you in advance for your patience during this project.

Yours truly,  
Project Manager, Streets Design

## Do you have questions about your Health Coverage, what is covered, and your eligibility?

Pacific Blue Cross is the new third-party administrator of the following benefits for clients of the First Nations Health Authority (FNHA)

- Quick Look up coverage information for dental services, vision care, medical supplies and equipment (MS&E)
- Get reimbursed via direct deposit in as little as 48 hours
- Check your balance for your benefits
- Search for vision care providers who are registered with Pacific Blue Cross

### Step-by-Step Instructions for Creating a Member Profile

Here's how to create a Pacific Blue Cross Member profile and claim online:

- Go to [www.pac.bluecross.ca/fnhaclient](http://www.pac.bluecross.ca/fnhaclient)
- Click on "I want to Register for Access to my Member Profile."
- Enter your Status Number
- Create your profile:
  - first name
  - last name
  - birth date
  - e-mail address (so Pacific Blue Cross can email you a temporary password)
  - Choose three security questions
  - Read and click "I accept the User Agreement & Privacy Policy."
- Go to your email and click on the temporary password link from PBC
- Create your own password, enter it twice to confirm
- Click on "Submit"

You're all set! You can view all of your dental, vision and MS&E benefits and see how much you can claim for each benefit.

Download the Pacific Blue Cross mobile app to submit claims using your phone. You can also use the app to show your PBC Member ID card to health care providers.

**Call FNHA Health Benefits toll-free at 1.855.550.5454 if you need help or cannot sign in.**

For information about other health benefits offered by the FNHA - prescription drugs, medical transportation and mental health support - see [www.fnha.ca/benefits](http://www.fnha.ca/benefits).

## Safe Drinking Water Monitoring Program

Charlene Campbell-Wood

### 1. Health Benefits

We all know how important it is to stay hydrated, but it is not always clear how our beverage choices impact our health. Evidence links the consumption of sugary drinks to excess weight gain and an increased risk of chronic disease and tooth decay. The solution? Drink water most often! Make it more exciting by adding fresh fruit and herbs like strawberries and basil for a delicious hint of flavour.

### 2. Save Money

All UBC Food Services locations, including the Residence Dining Rooms, offer free tap water. When you are out and about, Metro Vancouver's TapMap is a great way to find free places to refill water bottles. When you consider that bottled water and other beverages are a 100% markup on free tap water, the math is simple: After the initial investment in a water bottle, tap water will save you money!

### 3. Reduce Waste

Bottled water vs. tap water...what's better? Water is universally better for you than sugar-sweetened beverages, but often bottled water is simply re-packaged municipal tap water. Opting for tap water over bottled water not only reduces waste from single-use containers and requires less energy to transport, but in Metro Vancouver tap water is held to much higher safety standards than bottled water. Plus, even recyclable bottles require energy and resources, and millions of single-use water bottles still end up in our landfills. SEEDS investigated the sustainability of bottled water vs. tap water a few years ago.

    - Please do not call personal phones or contact staff on social media
  - 2) The service request is made and sent to Maintenance - Mike Point and/or Tyson Nahanee
  - 3) Before the visit please have the area clean, accessible, & sanitized.
  - 4) Mike Point and/or Tyson Nahanee to go to the house then report back to Housing Admin.
  - 5) \*IF any parts or services are needed - Wait for Housing Managers approval.
  - 6) When approved:
    - Mike and/or Tyson to purchase/order parts.
    - If services are needed Housing Admin will have to contact vendors set up time and date.
- Please understand that there is a time delay when it comes to purchasing/ordering part and when Housing Admin have to communicate with vendors. Also, let Housing Staff communicate with the vendors if others get involved it becomes a longer and more difficult process.**
- 7) \* if necessary\* Mike and/or Tyson will return to the home to do repairs/replacement after receiving the parts needed or the scheduled technician will be there to do the work requested.
  - 8) When the repairs/replacements are complete Service Request will be closed.

For **non-emergency** calls they will be prioritized (emergency, for elders & disability). Please take no offense if your Service Request is not attended to right away or until COVID-19 cases lower again and restrictions are lifted. - please include **your name** and **address** in the description or we will not know who the payment came from

MUSQUEAM HOUSING DEPARTMENT THANKS YOU FOR YOUR COOPERATION, PATIENCE AND UNDERSTANDING DURING THESE DIFFICULT TIMES

Presents:

# A Look at Insurance claims

The Housing team is alerted & our service guys arrange to make a site visit.

Housing checks out the problem, works to limit the damage, takes pics & enters the info into the database; the info is shared with the team. If the problem is due to mold or faulty contractor work, this is dealt with before the insurance claim can go forward.

Housing alerts the insurance company of a possible claim (if it hasn't done so yet), and submits the insurance paperwork

The claims adjuster reviews & reports on the damage; advises Housing on the next steps & connects us with their project manager.

Housing coordinates the repair work with the project manager & the Member, organizes payments & updates the file.

The call gets logged into the database.

The Member details the problem & gives contact info so that access can be arranged & new info can be passed along. If it's a leak, the insurers are notified immediately.

## UH-OH!

A serious problem has been found! The Members reports it to Housing right away.

# Free Boating Adventure for Youth!

JOIN RAINCOAST'S MULTI DAY TRIP ON THEIR RESEARCH VESSEL

## The Salish Sea Emerging Stewards Program

Photo by Alex Harris /  
Raincoast Conservation Foundation.

### WHAT IS IT?

Musqueam's ESD is partnering with Raincoast Conservation Foundation on an exciting opportunity to come aboard their 66-foot research vessel, the Achiever, for a multi-day trip exploring BC's coast.

### WHO IS IT FOR?

This opportunity is for Musqueam youth between the ages of 12-18.

### WHEN IS IT?

The boat trip takes place in April or May 2022.

### WHAT IS REQUIRED?

This program is FREE for all participants. Participants must commit to taking part in the trip and 2 hours of learning a month leading up to the trip in order to prepare. Please RSVP by Mid-September to reserve your spot.

### WHAT WILL WE DO?

This transformative environmental youth leadership program focuses on stewardship and conservation of BC's coastal wildlife and habitats. The boat-based learning provides opportunities to visit British Columbia's diverse habitats such as oceans, forests, and beaches, access to traditional territory, and encounters with iconic wildlife such as eagles, sea lions, and killer whales. Participants will engage in hands on learning to learn about nature and the environment and will get experience using a wide range of scientific equipment to study their surroundings.

For questions or to reserve your place, please email

## Exhibitions

### **That Which Sustains Us**

*On view!*

[That Which Sustains Us](#) is a long-term exhibition that explores the convergence of different knowledge traditions in the Vancouver area through an examination of people's interactions with forests and their natural environment. Through the lenses of Land and Water, Food, Movement, Economy, and Home, this exhibition explores the idea that culture ultimately shapes how people choose to interact with the natural world. Teachings that embrace stewardship leave less obvious traces on the land, when compared to historical viewpoints that commodified "natural resources" like wood and promoted the clearing of land as a pre-requisite of "ownership".

Pictured is a wooden Bee Refuge made by Shain Jackson. Apart from our buzzing bee friends, do you know what are some other types of pollinators?

## Neon Vancouver, Ugly Vancouver

*On view until Spring 2022!*

In the 1950s Vancouver had approximately 19,000 neon signs – more than Las Vegas! While some thought that thousands of signs signaled excitement and big city living, others thought they were a tawdry display that disfigured the city's natural beauty. This deep civic controversy resulted in a turning point in Vancouver's history and a change to the city's urban landscape.

Immerse yourself in Vancouver's neon history and enjoy the big city lights of Vancouver and catch a glimpse of the city from the 1950s through to the 1970s with this extraordinary collection of neon signs.

## **Bard on the Beach: Done/Undone**

*August 12, 2021*

Premiering on August 12, [Done/Undone](#) is a feature film, shot in multiple spaces at the Shadbolt Centre for the Arts. This film by Kate Besworth is inspired by a complex modern question: how well do Shakespeare's plays stand the test of time – and should some of them not be staged anymore? This provocative and entertaining response, directed by Arthi Chandra, stars Charlie Gallant (*Shakespeare in Love*, 2019) and Harveen Sandhu (*As You Like It*, 2018). They bring multiple characters to life, including two battling scholars, a pair of actors in *Hamlet*, a theatre-going couple divided over Shakespeare's appeal – and Shakespeare himself!
