~ As Our Elders said before Us~

There are not enough words to say "Thank You". We would like to express our "thank you's" to Everyone who came forward to help our family at our time of need.

It not only showed us the Love and Warmth – it also opened our eyes and hearts, to see all the Love, and how Everyone Cared....

Not for myself but for my daughter and grand-children too.

I said it before, that everyone has to go through this one time or another, we will always be there for any family in the Musqueam Community. We are here to help any way we can.

We also would like to "Thank" Dwayne & Tammy for letting us use their yard.

It is because of Covid 19 we cannot be all together. It hurts because we cannot hear all the wonderful stories of our Lost Loved Ones.

We had many Elders when we were children, and Today – We are the Elders.

We can only pass down what our Elders left us. We Love You and can only say the wonderful words of "Thank You"!

### Riddle

You're a bus driver on an autumn tour through the park. At the first bus stop two people get on, at the second stop four people get on, at the third stop one person gets off and at the fourth stop everyone gets off. What colour are the bus drivers eyes?
