Reading Challengers

Don't forget to start your Reading Logs for the month of April.

You may stop by the library to pick up a journal, reading log template, and/ or even make one yourself at Art club!

Most of all have fun & enjoy what you are reading

Contact info: Sara Louie @ 263-688-4693

slouie@musqueam.bc.ca

(I can even drop one off)

Homework & Art Club

Wednesday & Thursdays

3pm-6pm at the Library.

Musqueam Home Energy Improvements

This time delivered by community members!

Are Your Energy Bills High?

Musqueam housing department and BC Hydro are offering energy efficiency upgrades that will improve your home comfort while saving you energy and money by:

- Installing efficient LED light bulbs
- Sealing air leaks in walls, and around windows and doors
- Installing faucet aerators and low flow shower heads
- Providing clothes-lines or racks, fridge thermometers, and smart power strips

SMART POWER BARS

How the Program Works

Step 1: A community member will visit your home to install basic energy upgrades, and identify potential future upgrades.

Step 2: The Band will keep track of future upgrades needed in your home, and make additional improvements as budget allows.

Step 3: Follow tips on how to manage energy in your home and watch your electricity bills decrease!

To sign up for the program, please
contact Richard Hazelman at
2368587747

BC Hydro Indigenous Scholarship and Bursary Programs

BC Hydro wants to invest in the next generation of leaders, like you, to build a strong and healthy workforce across the province.

Our scholarships and bursaries are available to Indigenous students from BC First Nations or are an Indigenous permanent resident of BC studying at a Canadian post-secondary institution in a program that closely matches to careers at BC Hydro.

Application period: _____

Scholarships in the amount of \$5000 are available to full-time students in degree, diploma, certificate, or technical/trades programs connected to BC Hydro careers.

Bursaries in the amount of \$2000 are available to part-time students in degree, diploma, certificate, or technical/trades programs connected to BC Hydro careers.

The Randy Brant Memorial Award in the amount of \$8000 and will be awarded to the top overall applicant from all bursary and scholarship submissions.

For more information including program eligibility and application forms go to bchydro.com/scholarships or email indigenous.awards@bchydro.com.

Musqueam Education Notice Friday April 8, 2022

SCHOOL CHEQUES

April high school cheques have been mailed, if we don't have your address on file the cheque will be available for pick up at the office. Post-secondary will remain direct deposit.

Important Notice: Musqueam School Bus Information

Children are required to wear a mask at all times on the bus. Children are expected to practice social distancing on the bus.

If your child is unwell or is a close contact with someone with Covid-19 or suspected Covid-19 please keep them home and isolate.

It is strongly recommended that parents wait with their young children at the bus stop until they are on the bus.

UBC Farm Musqueam Student Stipend

Application Form: https://ubc.ca1.qualtrics.com/jfe/form/SV_82p11B7rKIEQczc

Applications must be received by: April 15, 2022

"This \$5,000 stipend is for a current UBC student from the Musqueam Indian Band in any UBC undergraduate, post-baccalaureate, or graduate program who is or plans to be engaging with the Centre for Sustainable Food Systems (CSFS) at UBC Farm. Applicants are required to show their Musqueam membership, how they are or will be engaging with the CSFS at UBC Farm and include a letter of support from a mentor, employer, teacher, or community member. This is a one-time stipend for 2022, if the fund is renewed, the successful student may re-apply in subsequent years."

Tutoring

If students require tutoring please contact the Education Department so that we may offer assistance.

UBC Summer Science and the Virtual Indigenous Science Experience (VISE)

2022 applications open NOW!

What is UBC Summer Science Program?

UBC Summer Science is a one-week cultural, health and science program for Indigenous students in grades 8-11. The program promotes interest in health, science, technology, engineering and mathematics (STEM) programs through firsthand experience at the University of British Columbia. The Summer Science Program is a great opportunity to meet new friends, eat great food, connect with Elders/role models while enjoying fun, laughter and learning.

Who: Students entering grades 9 - 12 in fall 2022

Where: UBC Vancouver campus

When: July 10th - 16th (Grades 10 & 11)
July 17th - 23rd (Grades 8 & 9)

Application deadline May 1st, 2022

For more information: <https://bit.ly/UBCSPVISE>

Got Questions? Email: summer.science@ubc.ca

What is VISE?

The VISE 2022 is an online, interactive workshop program for Indigenous high school students. Students are introduced to the University of British Columbia and various science, health and STEM fields. They also learn Indigenous teachings from dedicated facilitators and Elders.

Who: Students entering grades 9 - 12 in fall 2022

Where: Online

When: July 2022 (exact dates TBD)

SCAN ME

If COVID-19 restrictions do not allow us to gather in-person for UBC Summer Science from July 10th-23rd, we will then offer VISE 2022. With respect to those that may not want to attend an in-person Summer Science this year, we are opening VISE 2022 applications to assess the demand for this program. Closer to April 2022, we will announce if one or both programs (UBC SSP & VISE 2022) will be running in July 2022.

PLEASE BE KIND TO OUR STAFF IN THESE CHALLENGING TIMES.
WE ARE WORKING HARD TO LOOK AFTER YOU.

COMMUNITY HEALTH PROGRAM

Crystal Point, RN, CHN

MUSQUEAM PRE- AND POST-NATAL GROUP

Are you pregnant or have you recently had a baby?

The Musqueam Health Department offers some valuable incentives to pre-natal and post-natal families:

From the onset of pregnancy, until 3 months postpartum we offer weekly \$25.00 Save-on Foods Gift cards for nutritious foods such as – milk, eggs, cheese, fruits & vegetables to support healthy nutrition during pregnancy and breastfeeding.

- Nursing pads, as needed
- A one-time gift of an Electric Breast pump. **One per family**
- Welcome gift for your new baby

To register for the Program, call the Community Health Nurse, Crystal Point, RN in the Health Department.

Due to Public Health Guidelines, the Pre-Natal program is currently not meeting in person. The Community Health Nurse is available to assist with maternal child health supports (electronically, virtually and/or home visit.

Crystal Point, CHN: Ph: 604-362-9200 | Email: chn@musqueam.bc.ca

MUSQUEAM HEALTH DEPARTMENT NEWSLETTER ~ APRIL 8, 2022

PLEASE BE KIND TO OUR STAFF IN THESE CHALLENGING TIMES.

WE ARE WORKING HARD TO LOOK AFTER YOU.

Health Staff & Covid-19 Updates

Musqueam COVID Liaison Contact

Monday to Friday 8:30am—4pm

Evenings 4-8pm

CALL 236-688-4821

CALL 236-889-3637

Or Email: covid@musqueam.bc.ca

- **The Covid Liaison is the **first point** of contact for our Musqueam Community & assists with:**
- Questions about WHEN to test and HOW to test
- Connect you with the COVID Nursing staff.
- IF YOU TEST POSITIVE PLEASE CALL THE COVID LIAISON
- Assistance with the At-Home TEST KIT provided by the MIB Health

To book a Covid Vaccine call: 1-833-838-2323

With Public Health Order restrictions easing, Musqueam Leadership and the Health Department is transitioning to BCCDC COVID Public Health guidelines.

MIB Health delivered to each home rapid test kits; an updated MIB Covid-19 Test guide and masks. As we do this we want to provide advance notice that MIB Health will start phasing out certain supports and encourage self-management.

Band Members that live off reserve, we have some Kits available for pick up, please call the COVID Liaison to arrange pick up. Continue to self-monitor for symptoms and call the COVID Liaison if symptoms worsen.

- **Testing timeline:** not recommended to test BEFORE day 3 of symptoms (ideal: day 3, 4 or even 5 of symptoms with new evidence from BCCDC)
- DO NOT test for “Clearance” à BCCDC does not recommend retesting after recovering from Covid; **some people can remain positive for weeks or even months after “recovering” from Covid**
- These tests are not on an endless supply, use them wisely, with clinical judgement (ie follow the recommendations on when to test, and do not re test); you can re test if you are still sick and your symptoms worsen & you tested on day 3
- **Anyone 18+ can go to the local pharmacy to pick up Covid test kits**

x^wməθk^wəyəm

MUSQUEAM HEALTH DEPARTMENT NEWSLETTER ~ APRIL 8, 2022

PLEASE BE KIND TO OUR STAFF IN THESE CHALLENGING TIMES.

WE ARE WORKING HARD TO LOOK AFTER YOU.

Members residing off reserve may now pick up a test kit at their local pharmacy

Rapid antigen testing kits

Rapid antigen testing kits are free for people 18+

Rapid antigen testing kits are free for residents of B.C. 18 years and older who have a Personal Health Number (PHN).

1 kit contains 5 individual tests

You are allowed 1 kit every 28 days. This makes sure that everyone who wants a kit can get one.

You can't pay for additional kits.

A test should only be used by people who develop symptoms of COVID-19 and want to confirm a positive or negative result. The tests are not suitable for international travel requirements.

Get your kit

Visit your local pharmacy and ask for your testing kit. Pharmacy staff will:

- Ask for your PHN. You can find your PHN on the back of your B.C. driver's licence, BC Services Card or CareCard
- Give you 1 kit

A pharmacy should never ask you to pay for a kit.

Pick up a kit for someone else

You can pick up a kit for someone else, like a parent or grandparent. Make sure you know their full name, date of birth and PHN, the pharmacist will ask you for that information.

How to use a test

Each kit comes with instructions on how to use the tests. You can also ask the pharmacist if you have questions.

I tested positive

If you get a positive result, you should:

- Immediately [self-isolate](#)
- [Self-report your results](https://reportcovidresults.bccdc.ca/) : <https://reportcovidresults.bccdc.ca/>
- See if you meet the criteria to get a [COVID-19 treatment like Paxlovid](#)

I tested negative

If you get a negative result, it means that COVID-19 was not detected.

Self-isolate until your symptoms improve and you feel well enough to return to regular activities.

<https://www2.gov.bc.ca/gov/content/covid-19/info/testing>

MUSQUEAM PRIMARY CARE CLINIC

Please give a warm welcome to Natalie Bruneau,

Musqueam Primary Care Clinic's new Family Nurse Practitioner! ☺

Natalie Bruneau (she/her) is a Family Nurse Practitioner (NP) who is excited to join the team at the Musqueam Primary Care Clinic. She completed the University of Toronto Global Health, Primary Care Nurse Practitioner Program in 2021 and holds specialized nursing experience in cardiology, harm reduction, health promotion, mental health, and primary care.

Natalie's practice is grounded in the social determinants of health. She aligns her practice with compassionate, trauma-informed, and equitable principles of care. In her spare time, Natalie loves gardening and spending time outside. She is honored to be working with the Musqueam community.

The Musqueam Primary Care Clinic is slowly accepting new patients under Natalie's care.

Please call 604-266-0043 to be put on her waitlist.

****Priority will be given to Musqueam Band Members (and their immediate family) who currently do not have a family doctor****

LAND CODE

April 7, 2022

Re: Musqueam Creek Closure 2022 – Creek remains closed since August 2019

Dear Musqueam Membership and community members:

With great respect, be advised that Musqueam creeks are closed due to contamination and are NOT safe:

- No ceremonial bathing and
- No recreational use
- No Pets in water

Musqueam Lands are in field on Musqueam Indian Reserve No. 2 working with Teranis Environmental Consultants taking creek water samples to monitor contamination levels by laboratory testing the creek waters on a weekly basis.

Thank you for remaining safe and staying clear of the creek water until the sources of contamination are confirmed and resolved with the help of Public Works, Housing and Indigenous Services Canada (formerly Indian Affairs).
