TOLL FREE: 1-866-282-3261, FAX: 604-263-4212 SAFETY & SECURITY PATROL: 604-968-8058

To our dear Family & Friends,

On behalf of Sherry Hazelman (nee Fraser) and the Hazelman Family, we raise our hands and thank you for your contribution and support during our difficult time. During these sad moments in our lives, there is a lot on our minds and it can feel like a tough process to get through, but we are forever grateful to each and every one of you for helping us during our time of sorrow.

Charlie Hazelman was a loving partner, father, grandfather, uncle, brother, cousin and most of all a true friend to us all. He was a gentle soul who respected both Fijian and our Musqueam culture and traditions, a hard-working carpenter with great sense of humor and most of all he had so much pride in his family. We will forever cherish our memories we had with him.

We take this time to acknowledge your thoughts, prayers and support. Without the support of all of you, the funeral services would not have gone as smoothly as it did and you have given us the strength to move forward. We greatly appreciate the community for coming together as one.

## Musqueam Creek Emergency Sediment Removal

The November 2021 storm caused fine sand and other sediment to be deposited in Musqueam Creek. The sediment has filled in the creek channel and is causing problems for fish passage and increasing flood hazards by clogging stormwater outfalls and filling in the channel under the bridges.

Musqueam is working in partnership with Emergency Management BC and the BC Ministry of Environment and Climate Change to remove the sand and sediment before the return of the salmon and start of the fall and winter rains.

Excavators will be in the creek starting September 26 (Monday) and will be working until October 15. The end date is tentative and will depend on salmon returning and weather.

Dump trucks will be in the neighbourhood transporting material to a temporary stockpile near the Cultural Centre.

Crews will be working Monday to Saturday (excluding holidays)

#### **COMMUNITY HEALTH COVID-19:**

**Rapid antigen testing kits** are free for residents of B.C. 18 years and older who have a Personal Health Number (PHN).

1 kit contains 5 individual tests. You are allowed 1 kit every 28 days.

A test should only be used by people who develop symptoms of COVID-19 and want to confirm a positive or negative result. The tests are not suitable for international travel requirements.

#### Pharmacy staff will:

 Ask for your PHN. You can find your PHN on the back of your B.C. driver's license, BC Services Card or Care Card A pharmacy should never ask you to pay for a kit. Members residing off reserve may now pick up a test kit at their local pharmacy.

You can pick up a kit for someone else, like a parent or grandparent. Make sure you know their full name, date of birth and PHN, the pharmacist will ask you for that information.

**Travel:** if you choose to travel and are required to selfisolate by the Canadian Border Services, this is your responsibility and Musqueam Health Department does not provide supports, please make prior arrangements with your family and friends.

## **EMPLOYMENT OPPORTUNITY**

#### Data Collector, Regional Health Survey Term to March 2023

Metro Vancouver, BC

The First Nations Health Authority is a diverse and transformational health organization of professional, innovative and dedicated team members and leaders. The first of its kind in Canada, FNHA works as a health-and-wellness partner with BC First Nations to support self-determination and decision-making to improve health outcomes.

The First Nations Regional Health Survey (RHS) is the only First Nations-governed, national health survey in Canada. It collects information about on-reserve and northern First Nations communities based on both Western and traditional understandings of health and well-being. This survey will be conducted primarily online and by telephone. Reporting to the a Regional Field Supervisor, the Data Collectors implement the RHS by engaging participants on reserve and collecting data according to the methods requested by community leadership.

The work of the Data Collector requires an ability to navigate multiple electronic devices and programs, work independently, and as part of a team, with minimal supervision, and to handle sensitive and confidential information and matters in a trusted and responsible manner. The Data Collector must be available to work days, evenings and weekends as hours are subject to change depending upon operational requirements.

#### **Education & Experience**

- Knowledge of and respect for BC First Nations history and diverse cultures
- · Valid British Columbia driver's license
- Must attend virtual training sessions prior to data collection
- Access to a personal vehicle an asset
- Experience working with First Nations is an asset
- Data collection experience in a survey project is an asset
- Knowledge of OCAP® principles an asset
