# CALL FOR MUSQUEAM ARTIST

## THE PROJECT:

The Oakridge Park Development Partnership is looking to commission a xʷməθkʷəy̓əm Nation artist or artists to create a public art installation at the Oakridge - 41st Avenue Canada Line Station as part of the upcoming Oakridge development. The final selected artist or artists will each create an original artwork to be displayed on the face of a structure located in the Transit Plaza of the Oakridge - 41st Avenue Canada Line Station.

## TECHNICAL SPECIFICATIONS

The artwork will be located at the Canada line station on the corner of Cambie Street and West 41st Avenue.

Dimensions for art on the face of a wall structure in the Transit Plaza are subject to change, but are currently slated at approximately 54.3 square metres

## POTENTIAL MEDIA

Any medium will be considered subject to Translinks safety and preservation standards.

Note: wall treatments pictured are for reference only

Note: wall treatments pictured are for reference only

## ELIGIBILITY:

Artists must be from the Musqueam Nation. Accepting all levels of previous artistic experience. No prior experience with professional public art necessary. We encourage anyone interested to apply. This opportunity prioritizes local Indigenous designs from Musqueam. Artists are not expected to do project management for this contract.

## HOW TO APPLY:

Your application will take the form of an Expression of Interest. This includes:

- Approximately 300-word letter of intent responding to the following question and how this theme of representation would impact your work and design: What does it mean to you to create work in your own territory?
- 5 photos of your past work
- Artist Bio (who you are, which nation you are from, your artistic experience, etc.)
- Please do not include any designs sketches for this project as we are only asking for a letter of intent. Any drafts included will not be sent to the jury. You do not need to apply for a specific installation.

Please submit by May 19, 2023, via email to [submissions@hostconsultinginc.com](mailto:submissions@hostconsultinginc.com). Please feel free to reach out to us before the deadline with any questions.

## SELECTION PROCESS:

A selection panel of three community members from Musqueam, a representative from the developer partnership, a member of the project public art selection jury, and a project architect. The selection will review the submissions and select a finalist. The finalist will be notified after the process has been completed. The panel will be facilitated by Host Consulting Inc. but they will not have a say in the selection.

## PROJECT SCHEDULE:

**Submission Deadline:** May 19, 2023

**Selection Panel Review:** June 16, 2023

**Finalists Selected:** June 16, 2023

**Concept Design Development:** July 21, 2023

**Detailed Design Development:**  
September 22, 2023

**Fabrication and Installation:** TBD

**Art Unveiling:** TBD

## ARTIST DESIGN FEE:

The artist will be awarded a baseline fee of \$75,000 for a design concept. An additional artist fee may be determined based on project scope with the selected artist.

## CURATOR & FACILITATOR:

Host Consulting Inc. is a consultancy group of three Indigenous women from each of the three Host Nations: Faith Sparrow-Crawford (xʷməθkʷə́yəm), Salia Joseph (Sḵw̓xwú7mesh Úxwumixw), Jade George (səlilwətaɬ). They will be facilitating the process and liaising with the artists and TransLink to help progress the project to completion.

RSI is a fine art company specializing in commissioning public art for civic space.

#### Introducing the Garden Coordinator for the x<sup>w</sup>məθk<sup>w</sup>əyəm Garden in UBC

MUSQUEAM HEALTH DEPARTMENT | LAND BASED HEALING PROGRAM is pleased to introduce the new x<sup>w</sup>məθk<sup>w</sup>əyəm Garden Coordinator; Chrissy Lal.

Hello, my name is Chrissy Lal. I am so grateful to be joining your community as a garden coordinator at the x<sup>w</sup>məθk<sup>w</sup>əyəm garden in UBC. My heritage is Polynesian-Indian and my family is from Fiji, but my ancestors originated from the mountainous and fishing villages of India before they were brought to Fiji by the British. My hereditary name is Lata which was passed down to me by the matriarchs in my family. I learned Lata is the Sanskrit name for medicine plant and I believe that is why it is my calling to work closely with plants, medicine, food and healing. My grandmother's name is Ram Devi, and she was the first person to teach me how to listen and communicate with the spirit of plants, and how to grow medicine and food for ceremony.

Throughout the years I have come to learn that growing a healthy garden is similar to growing a community. Just like plants we learn from each other and pass our knowledge to the next generation, we take care and defend one another, and through diversity we build resilience together.

Thank you for welcoming me to your community where we will grow healthy gardens together.

#### Do you have a skill you'd like to share with your community?

Weaving, Harvesting, Carving

Beading, Drum making, Net mending,

Knitting, Nature walks, etc.

The Land based healing department would love to host a workshop so you can share your knowledge with others!

Reach out to Trish with your ideas!

## DRINKING WATER MONITORING PROGRAM

*Charlene Campbell-Wood*

Community Based Drinking Water Quality Monitoring Program Community Based Drinking Water Monitors (CBWM) play a key role in the Drinking Water Safety Program as the designated person responsible for sampling, testing, recording and communicating the microbiological quality of drinking water within the community. The CBWM is also responsible for distributing results and may assist with developing and carrying out a drinking water quality awareness program. The CBWM may be a Community Health Representative (CHR), Water Treatment Plant Operator (WTPO), or another individual selected by the Band. If a community does not have a CBWM, the activities may be completed by the FNHA Environmental Health Officer or an FNHA Environmental Health Technician. Environmental Health Officers train CBWMs to sample and test the drinking water for potential microbial contamination using community lab equipment (Colilert®). WaterTrax®, an internet-based data management system, is used to securely manage all drinking water quality data to which the CBWM, Band Health Directors, and the Drinking Water Safety Program (DWSP) team have access

### Dial 211

is a support line for all of life's challenges such information & obtain referrals to physical & mental health resources, housing, utility, food & employment assistance; suicide & crisis intervention

### LifeGuard App & How it works

When someone is about to use, especially alone, they can open the app and record the type of substance they are using and confirm their location. The app will hold this information, and a timer is set which can be paused or extended by the app user at any time.

As the timer ends, the app will sound an alarm, flash a light, and vibrate. The user must hit a button to stop the alarm and indicate they are fine. If they are unable to stop the alarm, a text-to-voice call will go straight to 9-1-1. This alerts emergency medical dispatchers

Are you inspired by skill building for BIPOC youth in the environmental field? Are you a confident youth facilitator? Do you have experience managing teams and/or projects? We're looking for someone to lead EYA's land-based employment training program for BIPOC youth, including planning and delivering 10-week training programs and organizing 12-week work placements at local environmental organizations.

### Responsibilities

- Plan and co-facilitate 10-week land-based training programs for BIPOC youth
- Design and update lesson plans engaging youth to develop [employability skills](#)
- Support design of lessons on horticulture, habitat restoration, and Indigenous knowledge
- Apply a trauma-informed and decolonial lens to programming
- Supervise and support a team of two program coordinators
- Manage project timelines, deliverables, and budget
- Lead the recruitment of 5-6 youth participants per cohort
- Coordinate program logistics (materials purchase, scheduling guests, etc.)
- Develop and maintain partnerships with work placement employers
- Coordinate the onboarding and delivery of work placements for each participant
- Support youth and employers during work placements
- Develop positive relationships with Indigenous Elders and Knowledge Keepers
- Monitor and track progress of youth participants
- Manage program administrative tasks
- Support the drafting of quarterly grant reports
- Lead program evaluation: youth surveys, interviews, etc.
- Support youth to connect with community resources
- Help to maintain EYA's native plant nursery, medicine gardens, and stewardship sites

## Requirements

- 1 - 2 years experience managing projects
- Experience planning and facilitating programs for youth
- Experience supervising and supporting a small team of staff or volunteers
- Experience designing curriculum and lesson plans
- Able to manage a large project and achieve deliverables
- Knowledge of basic [employability skills](#) through training or lived experience
- Clear and open communication skills
- Able to work collaboratively with a small team
- Highly organized and a good problem solver
- Committed to doing your best work
- Flexible and willing to pitch in to make things happen
- Personal values fit with EYA mission and culture
- Satisfactory criminal record check, including vulnerable sector check
- Class 5 or 7 driver's license or plans to obtain

## Assets

- Knowledge of trauma-informed practice
- Knowledge of local native plants and ecology
- Budget management experience

Don't meet every requirement? We encourage you to apply even if your past experience doesn't align perfectly. EYA honours lived experience and welcomes diverse ways of knowing.

## Prioritizing applicants from equity-seeking communities

To ensure that our team represents the youth in our programs, EYA prioritizes applications from people who identify as Indigenous, Black, People of Colour, LGBTQ2S, living with a disability, and folks from other equity-seeking communities. We encourage you to self-identify in your application. Your application will only be shared with the hiring team.

To support employees from equity-seeking communities, EYA provides extra sick days, extra paid days off (including Indigenous Peoples' Day and National Day of Truth & Reconciliation), paid staff socials to connect with coworkers, frequent check-ins, and other supports as needed.

## About the organization

EYA engages youth facing barriers to become environmental stewards. We provide land-based education and paid job training programs that braid Western and Indigenous perspectives on land stewardship. Our work recognizes the intersection of social and environmental injustice. You'll be joining a collaborative team of caring, creative, fun, like-minded colleagues and an

organization committed to decolonizing action. Find out more about our team and work:

EYA operates on the unceded, shared territory of the xʷməθkʷəy̓əm (Musqueam), səliłwətał (Tsleil-Waututh), and Skwxwú7mesh (Squamish) Nations, also known as Vancouver. [Read our land honouring](#).

### How to apply

E-mail a resume and cover letter to Erica Ellis, Program Director with “Program Manager application” in the subject line to: [jobs@eya.ca](mailto:jobs@eya.ca). We’re not concerned about format, grammar, or traditional cover letter standards. We really just want to get to know you, how your experience aligns with the role, and why you’re excited to apply. More casual written submissions are welcomed, or video/audio submissions if that is more comfortable for you.

The deadline to apply is **May 1 or until filled**.

Applications will be reviewed upon submission and interviews will be scheduled on a rolling basis. We will respond to all candidates who apply, whether shortlisted or not. If you are shortlisted, you will be invited to a 1-1.5 hour Zoom interview with two EYA employees. You will be provided with interview questions in advance.
