# **Administration closed Wednesday, November 1 for Musqueam Day**

On November 1, 1984, Musqueam won R. v. Guerin, the landmark Supreme Court of Canada case about the Shaughnessy Golf Course lease.

Every year, Musqueam recognizes November 1 as Musqueam Day – a holiday to acknowledge the strength and determination of our ancestors to seek justice and protection of our inherent rights.

To recognize the day, Musqueam Administration is CLOSED on Wednesday, November 1, 2023.

Essential services remain open.

The band office reopens on Thursday, November 2 at 8:30am.

MUSQUEAM RECREATION PRESENTS

# HALLOWEEN COSTUME PARTY

A Halloween-themed background illustration featuring a large, full moon in a dark green sky. In the foreground, there are silhouettes of bare trees, a large ghost with long, flowing hair, and several bats flying. To the right, there is a dark, multi-story house with glowing orange windows and a door. The overall color palette is dark green, black, and orange.

## Skwenílech Ceremony for residential school survivors

Saturday, November 11

Doors: 12pm

Ceremony: 1pm

Capilano Longhouse

100 Mathias Road, West Vancouver

Squamish Nation & their Yúusnewas health and wellness team invite Musqueam community members impacted by St. Paul's Indian Residential School to a Skwenílech Ceremony.

Skwenílech is a spiritual gift that is healing and lifts the spirits of those experiencing heavy feelings.

Meal to follow ceremony.

This event is intended for Indian Residential School Survivors and anyone else affected by the ongoing work to uncover the experiences of those who attended St. Paul's. Even if community members did not attend St. Paul's, we warmly welcome them to attend.

Pot-belly wood stoves will be lit to warm the longhouse, but please dress in warm layers. Bring blankets to sit on and keep warm.

Yúusnewas is a Skwxwú7mesh community-led project to research and document the residential school experiences of our people. Squamish Nation is leading archival and land-based research into the former St. Paul's Indian Residential School.

We recognize and honor the children from Musqueam that also attended St. Paul's IRS.

# Musqueam Lands Department Notice

## Fireworks Ban

At the council meeting on October 10, Musqueam Chief & Council adopted the MIB Fireworks Law. The MIB Fireworks Law was adopted on an urgent and temporary basis, as per Musqueam Land Code section 7.3.

Under the MIB Fireworks Law:

**The use and sale of fireworks and firecrackers is prohibited on Musqueam Lands, including all public spaces, parks, sports fields and river banks.**

This decision was made to promote safety and to protect Musqueam lands, members, residents, guests, buildings and resources from noise, waste, and other potentially hazardous or disruptive effects of fireworks or firecrackers.

**The temporary MIB Fireworks Law is in effect from  
OCTOBER 10 TO NOVEMBER 7, 2023**

After this period, the Lands Department will engage Musqueam community members about a permanent MIB Fireworks Law. We welcome your feedback about the Law.

Any questions or concerns?

Contact: Kim Guerin, Lands Governance Officer (kim@musqueam.bc.ca or 604-329-7916)

The MIB Fireworks Law is available in the Musqueam Administration Office and on the Musqueam website: [www.musqueam.bc.ca/departments/land-capital-and-housing/lands/](http://www.musqueam.bc.ca/departments/land-capital-and-housing/lands/)

**Vancouver Public Library  
Request for Expression of Interest:  
Designers – West Point Grey Branch  
Exterior Windows  
Issued: October 5, 2023**

FULL ART CALL ON MUSQUEAM WEBSITE:  
[www.musqueam.bc.ca/artcalls](http://www.musqueam.bc.ca/artcalls)

## Project Summary

Vancouver Public Library (VPL) is inviting xʷməθkʷəy̓əm (Musqueam) Nation artists and designers to submit an expression of interest to create a graphic design in the form of cut-vinyl to be used in the window at the relocated West Point Grey Library located at 4566 West 10<sup>th</sup> Avenue, one block west of the previous location.

The vinyl graphic designs will extend across the front windows of the Library to enhance the street-front presence and also provide a privacy screen for patrons seated at the windows.

The window graphics will be installed on both the east and west glazing facades (see reference images). The window graphics will be printed on vinyl adhesive material, which can be fully or partially opaque, and will be directly applied to the exterior glazing. 30% of the window can be used for the installation, approx. 2'-0" x 22'-0", 12" above grade to approx. 36" above grade, however other configurations covering no more than 30% of the total glazing will be considered.

VPL will be responsible for coordinating and procuring print and installation services for the design.

### Objectives:

- To reflect and welcome the local community.
- To celebrate the Musqueam land on which the branch resides.
- To inspire learning and connection with the sense of possibility that libraries bring to a neighbourhood.
- To share Musqueam culture and art with library visitors and the broader community.

## About Vancouver Public Library (VPL)

VPL's mission is to be a free place for everyone to discover, create, and share ideas and information. VPL's 21 locations are hubs of vibrancy that provide spaces for people to seek information, education, and entertainment. VPL describes its personality as: Progressive, Inspiring, Open, Vibrant, Surprising, and Proud.

VPL is committed to being a place for everyone to learn about the history and cultures of Indigenous Peoples in Canada, and to creating spaces where local Nations and Urban Indigenous Peoples feel welcome and heard.

The West Point Grey location, located on the unceded land of the Musqueam people, is an active community branch. Every day of the week you will find children laughing and learning, seniors connecting, and students and remote workers using library space to work and study.

## Design Format

Artists working in 2D forms which can be digitized, including, but not limited to, illustration, painting, printmaking, or photography will be considered. Abstract and/or non-representational designs are welcome.

Vinyl decals

Artists will create one digital design and deliver print-ready files that meet printer specifications to VPL.

Print specifications:

- 1200 x 1200 dpi
- CMYK
- PDF

The artwork is intended to be displayed for 2-4 years and licensed for use for 5 years.

The artist will be identified and profiled on informational signage inside the library, on social media, and promotional materials.

## Budget

\$7,000.00 for artwork.

All production and installation costs will be the responsibility of Vancouver Public Library.

## Selection Process

A selection panel will review all submissions and select one designer. Note, design/artistic partnerships, or other relationships, will be considered

## To Apply

**Artist/designer must be from the Musqueam Nation.** We encourage submissions from both established and emerging artists and designers.

Submit an Expression of Interest that includes:

1. Artist profile and contact information, including email and phone number.
2. 4 to 6 images of sample design work. Samples do not need to represent wall murals or window decal designs, but should demonstrate the artist/designer's ability and personal creative style in a 2 dimensional format. Digital images should be no more than 2MB each. Please do not submit original artwork.
3. A short concept statement (no more than 300 words), or sketch, that represents your initial thoughts on how the West Point Grey branch's personality could be expressed.

Submissions may be emailed, mailed, or hand delivered.

Please note that hard-copy submissions will not be returned.

Email submissions to [art-submissions@vpl.ca](mailto:art-submissions@vpl.ca) by end-of-day November 10, 2023

**Hardcopy submissions should be mailed/delivered to:**  
**Vancouver Public Library Marketing & Communications**  
**350 West Georgia Street Vancouver BC V6B 6B1**  
**Attn: Scott Fraser, Level 6**

Dear Musqueam Community,

The NNADAP & Health Dept would like to take this time to share with you options for Harm Reduction measures for safe using and abstinence if you choose from drugs and alcohol. We have a number of resources available to the community here are a few.

### **Suicide prevention line**

**24/7/365 (1-833-456-4566)**

### **Dial 211**

A support line for **all of life's challenges**; including information & obtain referrals to physical & mental health resources, housing, utility, food & employment assistance; suicide & crisis intervention

### **LifeGuard App & How it works**

When someone is about to use, especially alone, they can open the app and record the type of substance they are using and confirm their location. The app will hold this information, and a timer is set which can be paused or extended by the app user at any time.

As the timer ends, the app will sound an alarm, flash a light, and vibrate. The user must hit a button to stop the alarm and indicate they are fine. If they are unable to stop the alarm, a text-to-voice call will go straight to 9-1-1. This alerts emergency medical dispatchers.

### SAFE DRINKING WATER MONITORING PROGRAM

*Charlene Campbell-Wood*

### SAFE WATER FOR FIRST NATIONS

There is nothing more important than clean water, especially now in the midst of the COVID-19 pandemic. Yet at any given time there are drinking water advisories in dozens of First Nations communities across Canada. The lack of clean, safe drinking water in First Nations is one of the greatest violations of the UN-recognized human rights to water and sanitation.

While there has been progress in the past seven years, there are still 36 long term drinking water advisories reserves including some that have been in place for over 25 years. There is also a deficit in funding for the maintenance and operation of drinking water systems on reserves which the Parliamentary Budget Officer identified as being \$138 million dollars annually.

Instead, the Liberal government has been promoting public-private partnerships (P3s) as a solution. History has shown that P3s cost more, they lead to the privatization of water, and a loss of community control and jobs. P3s are not the answer to the drinking water crisis in First Nations.

The Council of Canadians fights for safe, clean water for everyone. This is even more urgent as COVID-19 continues to spread globally. We support Indigenous peoples' right to self-government and self-determination. Greater control by and for First Nations over water is a basic step toward reconciliation, a requirement of the UN Declaration of the Rights of Indigenous Peoples, and a necessary precondition to ending drinking water advisories in First Nations for good.
